Forecast for Saturday 21 May 2022

Weather: A mixture of showers and clear spells overnight. A few bright spells to start, then showers becoming more scattered towards midday and becoming increasingly cloudy. Showers merging into longer spells of rain later in the afternoon, especially across Wester Ross and Lochaber, though ranges towards Moray coasts staying drier.

Chance of cloud-free hill tops above 800m: 60% early hours and morning. Lowering 40% in the afternoon and 10% in the evening. Best chances will be across the north and northern hills towards Ben Hope with limited chances south of Skye to Glen Affric.

Low cloud and visibility: Occasional low cloud above 700 m in the early hours and morning, lowering 500 m later in the afternoon and evening, mainly south and west. Good visibility lowering moderate in showers. Moderate visibility in rain later, occasionally poor. Very poor visibility within cloud.
